This is a question that has arisen in connection with the transfer of certain investments of H.H the Late Yuvaraja to his son, the next Yuvaraja & the present Highness. Two such investments are now under reference. 1. 4½ Guaranteed Convertible mortgage Debentures for £ 1000 in the Bengal Steel Corporation. 2 They are agreeable to the transfer of the investment, but want a Copy of the Notification confirming the Yuvaraja's Status to be Countersigned by the Resident. The Notification is flagged F A draft is submitted to the Residency for approval. (Two Cheques). Central Bank of India Shares 500. For transferring this investment to the name of H.H, the Solicitors of the Central Bank require Letters of Administration or Succession Certificate or the Consent of the Widow & Daughters of the deceased holder. Reference is invited to paras 6 & 7 of

the Govt Advocate's letter showing how the Notification could be regarded as law even in British India. Whatever the law, it is difficult to see how the Solicitors suggest a ruling Prince applying to a Court wherein it is, for a Certificate of any kind. The law, as it stands at Mysore, in its application so far as it relates to the person & property of the Ruler, should, it seems, apply ex proprio vigore elsewhere also. For instance, the Govt of India Securities standing in the name of a ruling Prince are exempt from Br. Indian Income Tax. The suggestion of the Solicitors is thus opposed to the Common Conception of a Sovereign since Aristotle's days.

The Law Dept may be Consulted as ordered by Dr Seely on P.No.

11 Another significant point may also be submitted with respect. Kindly see the Concluding portion of para 3 of the Solicitor's letter. "It appears that reserve powers are vested in the Directors to waive, in "special cases" the production of a Succession Certificate. It is not known why the Directors are not pleased to bring this case under the Category. The Govt of Mysore have permitted the Bank to open a Branch at Bangalore, & the Consent is given on occasion Govt funds in the Bank. The Solicitor's

3) Re: the letter of the Solicitors of the Central Bank of India the question is one of safeguarding the requirements of law. The Solicitors ~~think~~ do not appear to be particular of a Succession certificate being produced, but may want definite information as to whether His Late Highness has left a will or testamentary disposition ~~as as~~ or in any event the Consent of the widow and the other Children &. Whether these formalities can be required to be special dispensed with, in view of the Notification issued here, is one which the Law Dept may examine. 20 I have not much to add to paragraphs 4 to 8 of my letter, D. O. No. 23, dated the 11th/12th July 1940 to the Comptroller in Mysore, Bangalore.

21 The Solicitor to the Central Bank seems to be under the impression that the Notification is merely a 'Government Notification', which in a sense it - really is. But it is not a Government Notification in the sense that it is merely an executive order passed by the Government of His Highness the Maharaja of Mysore. It partakes the character of a legislation by Royal Proclamation and so, functions more efficaciously than a certificate from a Court which cannot itself pass a law but only administer it.

22 The Hon'ble the British Resident may, I think, be requested to certify that the Notification dispenses with a succession certificate if what I suggest hereafter be not acceptable. } B

29 There cannot be the least difficulty in making it clear to the Bank authorities that His late Highness the Yuvaraja made no testamentary disposition of his properties and that none of those persons - enumerated in para 2, page 2 of the ~~Secretary~~ Solicitor's letter have any objection to the suggested transfer.

30 I know of instances where succession certificates are dispensed with by several concerns in the case of even ordinary individuals.. In the matter of a/transfer in this case, it was effected on the similar Bank of Mysore giving an indemnity and when the - Bank of Mysore consulted me whether they in turn - should take a bond of Indemnity from the transferee,

I told them that it was wholly superfluous in the circumstances, which, accordingly, I believe, was dispensed with. I think the local Branch Manager may be requested to put through the transaction without insisting upon the observance of any legal formality by acquainting the Directors with the situation or if necessary the Manager of the Bank of Mysore, who presumably knows the Central Office authorities with whom he might have had contact when he was in Bombay may be requested to get into touch with them to request them to exercise their power to waive the legal formalities under the Articles of Association.

3) It is wholly unnecessary and entirely inexpedient if not legally impossible to think of obtaining letters of administration or a Succession Certificate.

It is noted for consideration, if the Secy has no objection whether the suggestion at 'A' in the G. 89 It looks as though a surprise is sprung, with all possible abbreviation, too, when the Resy says for the first time that Court Fee is payable.

91 In the record when the Residency was requested to Countersign a Notification issued by His late Highness the Maharaja, the Residency undertook to issue a Succession Certificate promising to dispense with the formalities of Part X of the Succession Act. In their letter of 16.1.41, they never threw so much as a hint that Court fee would be payable. Section 382 about the Court fee occurs in Part X which they promised to overlook. The natural conclusion was therefore natural that the Court fee would also be dispensed with.

107 No doubt, section 382 of the Indian Succession Act requires that for the certificate to be effective, it should be stamped in accordancey with the British Indian Court Fees Act. So, option in the method of payment is suggested in the letter No. R.F.593-40/Judl. dated 8-4-1941, from the Secretary to the Hon'ble the Resident.

112 Two reasons I had suggested in my D.O. letter No. 23 dated 11/12-7-1940 to the Comptroller to show that a Succession Certificate was not necessary. They were that this is not a case of succession as such, but devolution of interest by survivorship to the sole surviving coparcener in the joint family estate part of which consists of these securities. (Please see in this connection, the proviso to section 12 of the Indian Securities Act, ~~1920~~ X of 1920).

113 The second reason was that in the event of these securities being considered as separate property or self acquisition of the late Yuvaraja, therefore, not forming part of the joint Hindu family estate, even then, the certificate being intended to protect

the debtors against possible rival claims and to enable them to earn a valid discharge from the true heir, it might not be difficult in the circumstances, to convince the debtors of the fact that there were no other claimants and that all possible risk to the debtors was eliminated by the notification recognising His Highness the present Maharaja as the sole legal heir, which, as explained in the letter quoted above, was more than equivalent to a succession certificate.

104 There was a practice - I do not know whether it has ceased to exist now - of requesting the Hon'ble the Resident to countersign a certificate granted by any of the courts in the State on a payment of a nominal fee of, I believe, a Rupee, in the shape of Court-fee stamp of the Government of India. The object was merely to show to foreign authorities that the certificate was granted in accordance with the law of the State. About the efficacy of this notification to more than fulfil that purpose, there may not be much doubt.

105 Evidently, the Hon'ble the Resident thinks that a formal certificate has to be granted by him and it is mentioned in his letter dated the 16th January 1941, that there are precedents in similar circumstances. Not having had the advantage of perusing the files relating to those precedents referred to in the said letter, it is not possible for me to find out what exactly the circumstances were in which led to the insistence of the production of a certificate under Section 382 of the Indian Succession Act and whether in those precedents also, there was a notification emanating from the Ruler for the time being, similar

NOTE—Contn. Sheet.

similar to the one here and yet mere countersigning such notification was held insufficient.

106 I do not know whether the grantee in this case can be thought to be "A resident within a Foreign State" as used in Section 382 of the Indian Succession Act, when he is the very Ruler of that State.

107 Exemption from levy of Court-fee may be made by the "appropriate Government", which in this case is the Central Government by virtue of their powers under Section 35 of Act VII of 1870, (Court Fees Act). But the more vital point is not so much the payment of the fee (though it is a heavy amount) as the question whether the notification cannot be certified by the Hon'ble the Resident so as to enable the transfers being effected, or whether otherwise than by a certificate under section 382 of the Indian Succession Act, the authorities concerned cannot be satisfied that the transfers can be effected without any risk to themselves.

108 I have nothing more to add to what was stated by me in my letter to the Comptroller quoted above and to paragraphs 26 to 31 of the notes in the file.

Whatever may be the effect of the notification in Mysore, the companies outside the State may still require a succession certificate or letters of administration before a transfer can be effected. Much time is lost in mere correspondence. Even in cases of immoveable property in British India, owned by the Ruling Princes, the ordinary laws of the Provinces govern them. Such being the case, I think, the Banks companies in British India may not dispense with the production of a succession certificate issued from a British Court and in this case by the British Resident If a succession certificate has to be obtained, the necessary court fee would be claimed by the Residency, unless the same is exempted under sec.35 of the Court Fees Act, which is rarely done.

110 Under these circumstances, the request of the Residency may have to be complied with. Of the two alternatives suggested by the Residency, it is better to accept the one of furnishing stamp in British India when we seek to act on the certificate, instead of paying the whole amount at once.

Law 51 of 41
15th August 1941.

148) Exemption is granted, if any, under Sec 35 of the Court Fee Act, by a Notification issued by the Local Govt. At present there is no such Notification in existence to cover the case under reference. Further, we have already intimated to the Residency, that we are prepared to adopt the revised procedure & that the Court Fee will be paid by us when the Certificate is to be acted upon. However, it will not be proper for us to approach the Residency to get an exemption in this case under Sec 35 of the Court Fee Act. As the present Certificate is granted by the Residency & is to be used [illegible] subject before, our Rules will not be of any avail. I therefore hold that it is obligatory that the certificate should be stamped in order to render it valid.

As regards the amount of Stamp Duty to be paid, Sec 382 of the Indian Succession Act lays down that the Certificate is to be stamped in accordance with the provisions of the Court Fees Act 1870, & the Court Fee will have to be paid according to the Scale laid down in Art 12 Schedule I of the Law of Court Fees in British India.

Letter No.2620 RS dated 4-11-41 from the Probate Deputy Collector, 3, Charnock Place, Calcutta, to the Comptroller in Mysore, Bangalore.

I have the honor to draw your attention to your letter No.681/SL dated 26-9-41 addressed to the Managing Agents, The Indian Iron & Steel Co Ltd. and request you to kindly send the original succession certificate for stamping to this office at an erly date. In this connection it may please be noted that if you want the succession certificate to be specifically stamped for the shares of the Steel Corporation of Bengal a separate succession certificate will be required for these shares (since) as the S/C contains all fixed deposit amount and shares of the Imperial Bank, it should be stamped on the whole amount.

The amount of Court-fee payable on this certificate will be determined on receipt of the reply from the Imperial Bank of India, Bangalore.

16) The Probate Deputy Collector in his letter dated 4.11.1941 to the Comptroller states that if the succession certificate is to be specifically stamped for the shares of the Steel Corporation of Bengal, a separate succession certificate will be required for these shares and further as this succession certificate contains all fixed deposit amount and shares of the Imperial Bank, it should be stamped on the whole amount, if it is to be used. His view is that if the certificate has to be stamped in Bengal, it has to be stamped for all the amounts that are mentioned in the certificate whether a part of the amount is within the Province or not. His view seems to be based on a decision of the Calcutta High Court in 75 Indian Cases 466, where it is laid down that the Court-fee must be paid according to the scale prescribed in the Province in which the grant is made irrespective of the fact whether the whole of the property in respect of which the grant is made is or is not situate within that Province. The certificate granted under Section 382 of the Indian Succession Act will have effect throughout India. The note at the foot of the certificate is to the effect that this certificate will be valid only when stamped in accordance with the provisions of Section 382 of the Indian Succession Act. Such being the case, the certificate, as it is, requires to be stamped on all the amounts mentioned in

NOTE—Cont. Sheet.

WD 04155--GPB--55,000--23-10-41

the certificate. There is nothing to prevent a succession certificate being granted for each of the items. This certificate is with respect to 2 items. Item 1 deals with the Fixed Deposit amount due by Messrs. Ratansi D. Morarji of Bombay. The other with Securities. Of the Securities, Items 1, 2, 3 and 4 deal with the Government of India Pro-notes and the Imperial Bank of India shares. The 5th item relates to the Debentures of Bengal Steel Corporation. A compromise is reported to have been arrived in respect of Item No.1 of the Debt column. If that be so, there is no need to pay stamp on this item. As regards Items 1 to 3 of the Government of India Securities, we may await the reply from the Public Debt Office, Madras. As regards Item 4 of the Securities column, we may also await the reply from the Imperial Bank of India, Bangalore. It is only with respect to Item 5 of the Securities column i.e. the Debentures of Bengal Steel Corporation that immediate payment of stamp is necessary. Such being the case, we may as well apply to the Resident to grant separate certificates with respect to the Securities - one certificate may be with respect to Items 1, 2 and 3 of the Securities column viz., Government of India 4 per cent Pro-notes, the second certificate may be with respect to the Imperial Bank of India shares i.e. Item 4 in the Securities column and a third

Serial No.

certificate may be with respect to the Debentures of Bengal Steel Corporation viz., Item 5 of the Securities column. We may mention that original certificates have to be used in different Provinces and hence it would be convenient if three original certificates are issued with respect to the assets in different Provinces in place of the one that is now granted. There is no legal impediment for the grant of such separate certificates or for splitting up the certificate into three original ones, particularly as no stamp is paid here. The certificate may be sent to the Hon'ble the Resident in Mysore at Bangalore for the issue of three original certificates as suggested by the Probate Deputy Collector, Calcutta. Otherwise court fee may have to be paid on the whole amount.

The Comptroller,
Comptroller to the Government of H.H.the Maharaja
of Mysore,
Comptroller's Office,
BANGALORE.

Sir,

Re: Shares standing in the name of His Late Highness the Yuvaraja of Mysore.

The Central Bank of India Ltd have placed in our hands your letter to them of the 26th ultimo requesting that the 500 shares standing in the name of His Late Highness Sir Sri Kantirava Narasimharaja Wadiyar G.C.I.E. late Yuvaraja of Mysore be transferred to the name of his son Sri Jaya Chamaraja Wadiyar (who is the present Maharaja of Mysore) as the sole legal heir to the estate of his late father.

We beg to point out that the Notification No 5669/CB-168-39-1 dated 25-6-1940 recognising Sri Jaya Chamaraja Wadiyar as the sole legal heir to the estate of His Late Highness appears to be a Government Notification which may have the force of law in the State of Mysore but which has not the force of law in British India.

Under Article 42 of the Articles of Association of the Bank, the Bank can only recognise the executor or administrator

of a deceased person when he shall have obtained Probate or - - Letters of Administration from a duly constituted Court in British India provided that in special cases the Directors can dispense with the production of Probate or Letters of Administra -tion upon such terms as to indemnity or otherwise as the - - Directors may think fit. -

We understand that His Late Highness Sir Sri Kantirava Narasimharaja Wadiyar the Yuvaraja of Mysore left a widow, one son and three daughters and may have left a will or other - - testamentary disposition. According to the law in force in British India such will or testamentary disposition has to be given effect to so far as the property in British India is - - concerned. If no will or testamentary disposition has been left by the late Yuvaraja of Mysore, it would be necessary to obtain Letters of Administration or Succession Certificate or in any event the consent of his widow and daughters to the transfer of these shares as they are interested in the estate of the deceased.

In making this inquiry, our clients beg to make it clear that they do not wish to raise any unnecessary objection to the transfer of the shares to the name of His Highness the present Maharaja of Mysore, but they wish to clear up any doubt and legal objection on the subject.

Our clients will be obliged if you will place this - -

correspondence before the Diwan Saheb, the Prime Minister of the State for consideration by him.

We beg to remain

Your most obedient servants,

Sir Homaji Dinshaw & Co

GRANT OF SUCCESSION CERTIFICATE TO
HIS HIGHNESS THE MAHARAJA OF MYSORE.

SIR,

I am directed to refer to letter from the Government of Mysore No. Pol.1605 dated the 11th March 1941, and to say that the practice in this Residency is to recover from applicants court-fees payable on Succession Certificates. The Political Department have however recently written that the correct procedure is that Political Agents should not themselves recover court-fees but only make an endorsement at the foot of the Certificate to the effect that it will be valid only when stamped in accordance with the provisions of section 382 of the Indian Succession Act. Under this procedure the stamp would be furnished in British India when the grantee seeks to act on the Certificate. The matter is still under correspondence, and the practice of recovering court-fees is therefore still continued for the time being. The Hon'ble the Resident desires to adopt in the present case the procedure which would suit His Highness the Maharaja of Mysore. If it is considered that the payment of court-fees into this Residency is more convenient, I am to request that a sum equal to the fee payable under the Court-fees Act may kindly be paid at an early date in case final orders to discontin

discontinue the present practice are received.

I have the honour to be,

to His Highness the Maharaja of Mysore.

SIR,

I am directed to refer to my letter No.R.F.593-40/Judl., dated the 8th April 1941, and to say that it has since been decided that in regard to succession certificates the procedure laid down in Notice No.R.F.659-40/Judl., dated the 22nd April 1941, (copy enclosed), should be followed with effect from the 1st June, 1941, until which date the existing practice will be continued. The Hon'ble the Resident desires to adopt in the present case the procedure which would suit His Highness the Maharaja, and in case His Highness prefers that the existing procedure should be followed I am to request you kindly to arrange for payment of court fees at a very early date.

THE HON'BLE THE RESIDENT IN MYSORE.

No.R.F.659-40/Judl. Dated Bangalore, 22nd April 1941.

N O T I C E.

The position regarding the grant of Succession Certificates by the Hon'ble the Resident under section 382 of the Indian Succession Act, 1925, has been reviewed, and with effect from 1st June 1941 the following procedure will be observed:

1. Court-fees on applications, on Vakalatnamas and for notices will be furnished according to the scales laid down in the Court-fees Act in force in the Civil & Military Station, Bangalore, and court-fee stamps which are in use in the Station (and not British Indian stamps as hitherto) will be affixed.

2. Notice of the application will be published in only one issue of the Residency Orders, for which a fee of Rs.5/- will be paid in cash along with the application.

3. Court-fees will not be levied on Succession Certificates, and the application need not therefore be accompanied by a deposit of the sum equal to the fee payable under the Court-fees Act. An endorsement will, however, be made at the foot of the Certificate to the effect that it will be valid only when stamped in accordance with the provisions of section 382 of the Indian Succession Act. When the grantee seeks to act on the Certificate in British India, the Certificate will require to be stamped with the requisite court-fee stamps.

Exemption from payment of court fee is very rarely granted by the Local Government under Section 35 of the British Indian Court Fees Act, ~~in cases~~ rare ~~duly in very few cases~~. Further, ~~as~~, the Residency has already been informed that the court fee leviable on the certificate will be paid when the certificate is to be acted upon in British India. To

The Secretary to the Government of
His Highness the Maharaja of Mysore,

Sir,

With reference to your letter No. P.1373/Cts. dated the 19th September 1941, I have the honor to state that - I received the said file late in the evening of that day, (at 5/20 p.m.,) and I could look up the local amendments of the Court-fees Act only after the holidays in the week.

The point for consideration is one of mere calculation in accordance with the scale prescribed by different local Governments which I think can be done with greater precision in the Secretariat where there may be available all the necessary references to the ~~xxxx~~ latest local - variations. Though I have not got with me the latest - amendments to the schedule of the Court-fees Act as now in force in the different provinces in British India, yet I have worked out the figures on the referencesavailable and have given them below, which I must admit can be only - approximate:

Item No.1:	Fixed Deposit with Messrs. Ratansi D. Morarji of Bombay.	Court-fee to be paid calculated at 2% ad-valorem: Rs.4934-5-9.	Remarks. Provincial amendment seems to be confined only to Wills admitted to probate or Letters of Administration.

Items 1,2 & 3 of securities.	4% Govt. of India Pro-notes.	Same rate as for item 1 above. Rs.10,800/-.	This amount is according to the article which so far as the Central Govt. is - concerned remains unaltered.
Item 4 of Securities.	Shares of the Imperial Bank of - India.	At the same rate as for items 1 and 2 above. Rs.1,256/-	Vide: remarks against the above item.

Regarding item 5 of Securities, the market value may probably be higher and the fee will have to be calculated on that basis taking into consideration the exchange value. The rate is not uniformly ad-valorem but on a - progressively increasing scale in Bengal. I do not know whether the Registered office of the Company (Bengal Steel Corporation) is in Bengal wherefrom its name is borrowed. Its head-quafters cannot be gathered from the Certificate which is the only paper sent to me with your letter under reply. In the circumstances, I regret very much I am not able to compute the fee, even approximately, so far as this item is concerned.

The Succession Certificate received with your - letter under reply is herewith returned.

I have the honor to be,
Sir,
Your most obedient servant,
